

## TEACHER'S RESOURCES

THE DEPARTMENT OF ENVIRONMENTAL SERVICES OFFERS GREAT PROGRAMS FOR TEACHERS.

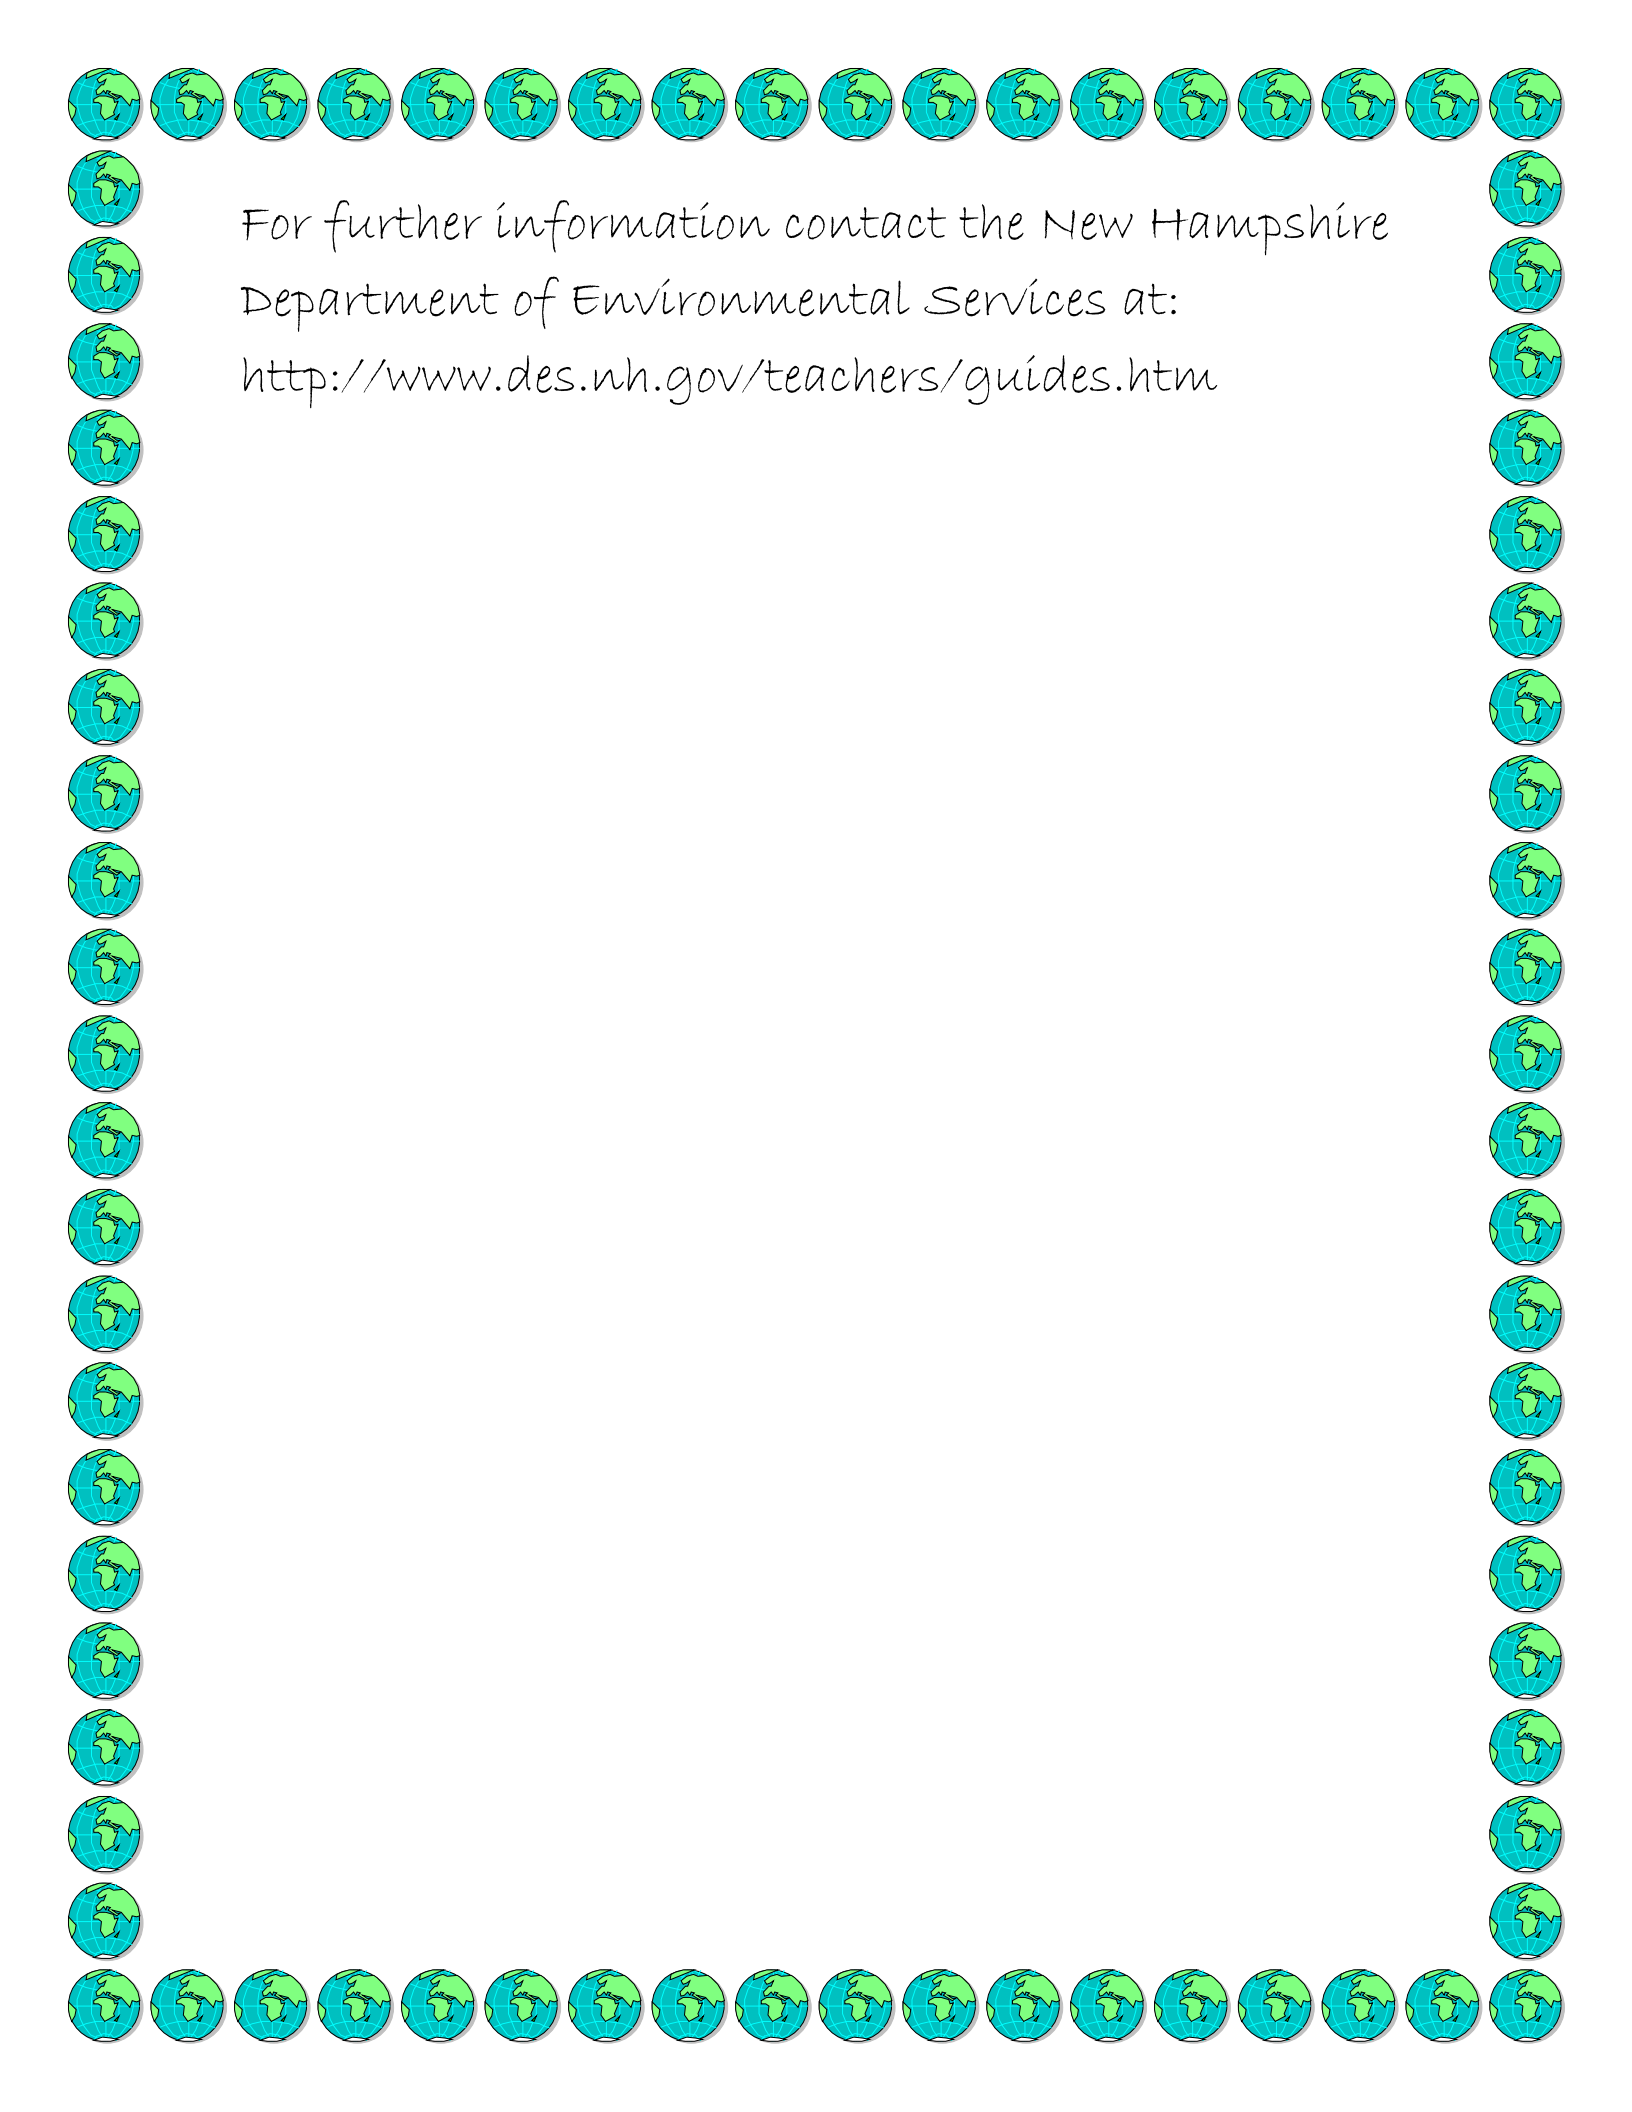

PROJECT WET - Offers a 500-page water education guide and contains over ninety activities. This program helps young people make conscientious decisions regarding our water resources.

COMPOSTING - Department of Environmental Services in conjunction with the Governor's Recycling Project promotes a school composting project. What a great idea for the entire school.

Here are some other great projects offered by the New Hampshire Department of Environmental Services:

- Bring the Environment to your Classroom
- Staff Development Programs & Workshops for Teachers
- Volunteer Opportunities for Classes & individuals
- Classroom Presentations
- Curriculum Guides and How to Guides
- Fact Sheets & Publications
- CD ROMs' and Videos
- Annual Environmental Events, tours and celebrations - get the classroom involved.
